

The logo features a central white circle containing the text 'Sustainable Rural Healthcare HUB'. The words 'Sustainable Rural' are in a smaller blue font, 'Healthcare' is in a medium blue font, and 'HUB' is in a large, bold, dark blue font. This central circle is surrounded by a ring of colorful segments in shades of orange, yellow, green, and blue. The background of the top half of the page consists of large, overlapping geometric shapes in these same colors.

Sustainable Rural Healthcare **HUB**

Coordinated healthcare closer to home

A pilot project to help people, with multiple health conditions, better manage their health closer to home.

Taking part in the Healthcare Hubs program ensures health professionals talk to each other and coordinate your care.

Your Healthcare Hub team will include a GP, Nurse Practitioner, allied health professionals, other professionals or

specialists usually involved in your care, and you will receive help from a Care Coordinator who will answer your questions, make appointments and organise referrals.

If you'd like to know more about this program and how it could support and benefit you, talk with reception or your GP or Nurse Practitioner.

Please note that some services will incur out-of-pocket expenses.

**Sustainable Rural
Health Project**

Funded by Australian Government, Department of Health and Aged Care Innovative Model of Care program and Murray PHN.
